## Presentation evening

The presentation for this event will be held at Woodhey high school on the evening of the 06<sup>th</sup> July 7pm to 11.30pm. We have decided to hold an evening presentation as this is a great opportunity for swimmers and parents to build relationships & develop the social side of the club. Team spirit is an important part of sport and we hope these events promote this ethos.

Any swimmer that has won a medal but cannot make the evening event will have their medal presented at the pool during their next lesson.

**Tickets = £2.50 per child & £5 per adult. This includes DJ & food**

## Description

**Seeding** – swimmers will not always swim against swimmers of the same age. Swimmers will compete against other swimmers that have similar times. This makes for a competitive and close race.

**Heat declared winner** – we will not be running heats and finals. Swimmers swim one race. Their time from this race will be ranked in their individual age group with the winner having the fastest time. The important point to remember here is that a swimmer can come last in their heat but still win their own age group. This is because, depending on their time, a 10 year old could be in a heat with 5 other 11 year olds. They may come 6<sup>th</sup> but have the fastest time for their own age of 10yrs. They will therefore win gold in that event for their own age group.
